

Summer School on Explainable Data Science

Certificate of attendance

We hereby certify that

Mr Markus Schröder

German Research Center for Artificial Intelligence

has attended the Summer School on Explainable Data Science organized by the European Association for Data Science and held in Luxembourg from 10th to 13th of September 2019 (3 full days of training):

- **Model-Based Machine Learning**
Christopher Bishop FRS FRSE FREng, Laboratory Director, Microsoft Research Cambridge
- **From Data Mining Processes to Data Science Trajectories**
Peter Flach, University of Bristol
- **Human-Centric Data Exploration**
Tijl de Bie, Ghent University
- **Explanations in Philosophy and Psychology**
Christos Bechlivanidis, University College London
- **XAI – Science and technology for the explanation of AI decision making**
Fosca Giannotti, Information Science and Technology Institute “A. Faedo” of the National Research Council, Pisa
- **Making Data Science Intelligible**
Simone Stumpf, City, University of London
- **But, why? An introduction to causal inference from empirical data**
Jilles Vreeken, CISPA-Helmholtz Center for Information Security

Dr Peter Flach
President EuADS
